Web Announcement 2305

**Attention Provider Types 14 and 82 Rehabilitative Mental Health Providers:**

**16-Hour Training Requirement and Updated Enrollment Checklists for Qualified Mental Health Associate (QMHA) and Qualified Behavioral Aide (QBA)**

The Division of Health Care Financing and Policy (DHCFP) has updated the enrollment checklists for Qualified Mental Health Associate (QMHA) (Specialty 301) and the Qualified Behavioral Aid (QBA) (Specialty 302) providers to clarify the document requirements of the initial 16-hour training for enrollment. The checklists are accessible on the [Provider Enrollment Checklists](#) webpage.

Forthcoming updates to Medicaid Services Manual (MSM) Chapter 400 will further clarify the requirement of both QMHA and QBA specialties to complete the 16-hour training that is needed to enroll as a provider with Nevada Medicaid. Please note: Nevada Medicaid does not provide the training for this requirement.
